Rotating 360° Alphabet by graduate Jinhwa Oh gives graphic design a revolutionary new twist

The future unfolded with our pick of the head-spinning, tomorrow-scaping, paradigm-shifting new forces in design, architecture, fashion and more

+ High concept home-making with Tadao Ando and Alejandro Aravena

06 BEST NEW PRIVATE HOUSE SHORTLIST

The Nest, Namib Desert, Namibia, by Porky Hefer

A secluded African desert retreat with a nest-inspired thatched roof, handmade brick walls and curved, organic interiors. animal-farm.co.za

Shapeshifter House, Reno, US, by OPA

This desert-city house, set in a native plant garden, cleverly embeds an origami-like metal structure into its environment. oparch.net

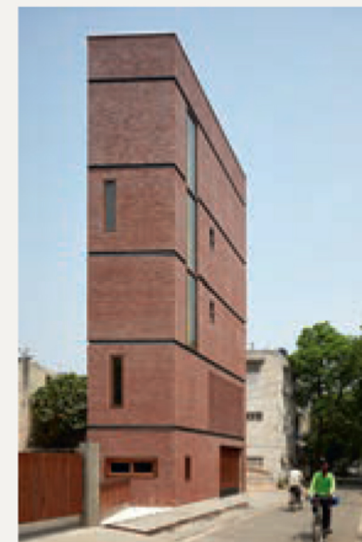

Towers Road House, Melbourne, Australia, by Wood Marsh

A sculptural house in a Melbourne suburb with a monumental curved concrete façade and zinc disc roof. woodmarsh.com.au

Kirschgarten House, Binningen, Switzerland, by Buchner Bründler Architekten

An ode to concrete, featuring a beautifully articulated grid-like roof structure and rough-textured walls. bbarc.ch

Brick House, New Delhi, India, by RKDS

This multi-generational home is a masterful composition of exposed brick, concrete and steel, complemented by teak louvres. rk-ds.com
